

4TH OF JULY BLOCK PARTY
ON E VISTA STREET
SPONSORSHIP PROPOSAL

On July 4th the Bluff Heights neighborhood will be transformed into a magical, small-town block party, creating life-long memories for residents of all ages. The success of this event cannot be accomplished without the continued generous support of our local businesses.

This much anticipated annual event is a summer highlight for neighbors throughout the Long Beach area. Presented by the Bluff Heights Neighborhood Association, all proceeds support altruistic works in our district. The association is designed to benefit

the community through education, community building, historic preservation, public safety, neighborhood beautification and civic awareness.

The block party has taken place for over 12 years, drawing residents to the daylong event year after year. Located on East Vista between Obispo & Orizaba Streets, it is one of the only large, regularly organized gatherings of residents in our area. Please support our neighbors and neighborhood!
